Laptop Requirements - Grades 5, 6, 7 & 8

The device specifications identify the minimum system requirements/hardware specifications for student devices and offer guidance on some suggested makes and models so that parents are fully informed about requirements.

Device Type	Mac Laptop	Windows Laptop
Operating System	OS X 10.9 or higher/most recent	Windows 10
Wireless	5GHZ 802.11n	5GHZ 802.11n
Minimum screen size	11 inch	11 inch
Storage capacity (SSD or HD)	64GB	64GB
RAM	4GB	4GB
Minimum Battery Life	6 hours	6 hours
Suggested Accessories	Protective case/cover, headphones	Protective case/cover, headphones
Device Example	MacBook Air 13 http://www.apple.ca/macbook-air	Dell XPS 13 http://www.dell.ca/xps13
Programs	Microsoft Office Home & Student 2016 for Mac (Word, Excel, PowerPoint, OneNote)	Microsoft Office Home & Student 2016 for PC (Word, Excel, PowerPoint, OneNote)

Students must assume responsibility for the safety, security and maintenance of their devices. It is important that each student brings a well maintained, charged device to school in order to allow full participation in the academic program.

NOTE: Parents are responsible for ensuring that their child's laptop is **pre-loaded** with Microsoft Office (Outlook, Word, Excel, PowerPoint, etc...).
